## **#125 Leuders Buff Limestone Irregular (ultra dark joint)**

Timeless and always elegant, makes Limestone the premier choice for most architects and designers. The soft creamy color creates a uniform and refined look. The old-world mosaic pattern is a great addition to any project. Exterior siding, columns, fireplaces, backsplashes and accent walls.

3"-5" thick (full size building stone), average of 40 Sq. Ft. per ton.

1"-5" thick for thin veneer, sold by the Sq. Ft.

Wall veneer shows ultra dark joint, but you can always change it to any color joint of your preference. Please contact one of our sales associates for more details.
