#194 Aztec blend

Natural stone look with range of light beige- tan tones. Its elegant and sophisticated look goes well with almost any project commercial or residential. Full size stone veneer, outdoor chimneys, columns, retaining walls, outdoor kitchens and many commercial applications would look beautiful with this selection. Easy to integrate with the rest of building décor. You just cannot go wrong with this blend.

1"- 1.5" saw cut thin veneer, sold by sqft. Corners by linear foot.

3"-5" for full veneer (5"-6" bed depth), average of 35-40 sqft. per ton.
