#226 Swiss Sparkle 2"-4" (Guillotine cut with sawn ends)

Enjoy a rustic feel with a touch of sheen. The dark grays and little brown hues with a guillotine cut stone face give a distinctive view. It will work well on an accent wall, indoor and outdoor fireplace, columns, indoor and outdoor house walls, hardscape projects among other applications.

Thin veneer not available

3"-5" for full veneer, average of 30-35 sqft. per ton.
