

#229 Black Regency Split Face 1.5"-2.5" (Guillotine cut)

Dark gray color brings depth to your stone project with a touch of elegance. The long rectangular pieces and texture are great for creating a staggered look. This view will be great on an accent wall, house veneer, columns and hardscape applications

thin veneer is not available

3"-5" for full veneer, average of 30-35 sqft. per ton.
