

#231 Chocolate Gray 1"-2" (Guillotine cut)

Captivating rustic style with consistent shape and size. The perfect matching colors that add an earthy feel to your home décor. This natural look goes well on small, medium and large projects. Retaining walls, columns, chimneys, fireplaces, full size stone and hardscape projects will benefit with this view.

3"-5" Thick veneer (full size building stone), average of 30-35 sqft per ton.

Thin veneer is not available
