

#246 AZTEC BLEND (with ultra dark joints)

Intense colors that create depth with a rustic view. The perfect balance of gray tones and the mosaic pattern will work great for either modern-contemporary or traditional style homes. The dark joints enhance the texture and colors of this beautiful combination.

1.5" – 2" thickness for stick-on veneer applications sold by ton. Average 50-60 sqft per ton
3"-4" full veneer, average of 35-40 sqft. per ton.
