#254-255 LEUDERS LIGHT LIMESTONE RANDOM ASHLAR (DESERT BUFF MORTAR JOINT)

Classic squared random sizes and neutral tones makes this selection one of the most popular from our collection. Goes very well with today's color combinations, grays, browns and whites.

1"- 1.5" saw cut thin veneer, sold by sqft and corners by linear foot.

3"-4" Full size building stone, average of 40-45 sqft. per ton.

Please contact one of our sales associates for more details.
