

## **#270-271 Indiana Ashlar Pattern (with light buff mortar)**

Natural beauty, elegance and versatility are the characteristics of this premier stone. Its neutral color tones help you blend it in with contemporary and rustic home décor. The split face texture adds a natural feel to your project. Indiana Limestone looks great on every application, full stone house, columns, accent walls, fireplaces, retaining walls, entry walls, outdoor kitchens and many more.

1"- 1.5" saw cut thin veneer, sold by sqft. corners by linear foot.

3"-5" for full veneer, average of 35 sqft. per ton.

Right side picture #271 with buff "s" mortar.
