**#299 AND #287 HAND CHISEL CAP (WHITE PORTLAND JOINT)**

This old time rustic look was made out of our gray crab orchard stone and hand chisel edge. This texture finish can be use on wall caps and step treads, water tables, column caps, pool coping, border treads, table tops steppers and just about any edging that you need to have detailed. Available in many different thicknesses, it could be use on a mosaic pattern like this picture or solid width like #287 picture below
