Thermaled Finish Blue-Blue

Bluestone is versatile, attractive and time-less. Blue-blue (range of different shades of blues) is very elegant and a perfect companion of granite, limestone and sandstone wall veneers. Pool decks, patios, decks, porches, driveways, treads and may other applications would look great with this selection.

1" ranges (3/4" -1.25") Recommended to be lay over a concrete slab.

1.5" - 2" Recommended for heavy dury applications such driveways or to be lay over sand or grass

Standard 6" increment pattern (12"x 12", 12"x 18", 12"x 24", 12"x 30", 12" x 36", 18"x 18", 18"x 24", 18" x 30", 18" x 36" as well of 24" x24", 24' x 30" and 24" x 36") random ashlar pattern is the most popular, You can also select from the 5 existing patterns or create your own.
