

## #75 OHIO LIMESTONE (DRY-STACK)

The smooth natural combinations of grays and tan in this stone makes it ideal for many applications. Available in full-size veneer 3"-5" deep (30-35 sqft per ton) and thin veneer 1"-1.5" deep. See your sales rep for more information.

5055 Buford Hwy. Norcross, GA 30071 (770.368.9337)
