#88 Chocolate Gray Guillotine Cut (with jumpers)

Distinctive rustic look with a shiny touch due to the concentration of mica flakes and sparkling sheen when light reflects on rock. Natural snap cut with rough edges helps you achieve an old feel with a touch of sophistication. This trendy stone is used in a variety of applications, full stone house, columns, fireplaces, entry walls, water tables and hardscape projects.

*** Not Available in thin veneer***

3"-5" Full size building stone, average of 30-35 sqft Per ton
