

#98-1 Mix Color Rubble Ashlar (drystack)

The attractive range of blue colors with light browns and tans brings a soft rustic touch and elegance to your home decor. The hand chisel texture enhances the natural feel. It works great on an accent wall, house siding, columns, fireplaces, outdoor kitchens and window headers and sills.

1"- 1.5" thick, saw cut thin veneer, flats by the SqFt, corners by linear foot.

3"-5" thick, full size building stone, average of 30-35 Sqft. Per ton.

See joint wall option #98.
