

**#98 Mix Color  
Rubble 5"-8"  
(with sante buff  
mortar joints)**

Enhance with elegance and light your home decor with the soft color tans and silver- greys. The hand chisel texture gives you a rustic feel and the neutral tones add a contemporary touch. It will work great on an accent wall, house siding, columns, fireplaces, outdoor kitchens and window headers and sills. 1"- 1.5" thick, saw cut thin veneer, sold by the sqft. Corners by linear foot 3"-5" thick, full size building stone, average of 30-35 Sqft. Per ton.
